More Possibilities. The Scaffolding System.

We're bringing two days of excitement to this year's World of Concrete, and you won't want to miss it!

## Tuesday, January 20th – Scaffold Builders Competition

Watch top scaffold builders go head-to-head in an action-packed building challenge. These skilled tradesmen will battle for speed, precision, and teamwork—all for the championship belt and bragging rights for their company!

## Wednesday, January 21st – Live Safety Demonstrations

Come back for live, hands-on presentations with the SAIA Fall Protection and Permanent Installation Councils for powerful, real-world Live Demos that could save lives. These sessions will run twice through the day to give multiple opportunities to attend.

**Come See Us at the Back of the South Hall!**

## TUESDAY, JANUARY 20TH

**10:00 a.m.** Scaffold Builder Competition Check-in - Teams and Judges

**11:00 a.m.** Round 1 - 8 Build Teams

**1:30 p.m.** Round 2 - 8 Build Teams

**4:30 p.m.** Winners Announced by Mike Bredl, SAIA President

## WEDNESDAY, JANUARY 21ST

**10:00 a.m. - 11:00 a.m. and 1:00 p.m. - 2:00 p.m.**

### Live Fall Protection Demos

See why a rescue plan is essential — not optional. Every year, delays and lack of preparation turn preventable falls into tragedies. Learn:

- Real-time rescue techniques & best practices
- How proper equipment and planning save lives
- Why rescue must be part of every safety program

**11:00 a.m. - 12:00 p.m. and 2:00 p.m. - 3:00 p.m.**

### Live Anchor Performance Demonstrations

#### Anchor Performance Demonstrations

Watch as a variety of fall protection anchors are put to the ultimate test — live on stage. Discover:

- How different anchors perform under real-world loads
- Which meet safety standards — and which don't
- The best anchor choices for every job

Don't miss these eye-opening sessions — they'll change the way you think about fall protection and jobsite safety.
